#### Dissemination activities:

We have sought to achieve visibility of the project's results at European level through a wide range of activities, building on our own and our partner organisations' resources, contacts and opportunities. Our long-term cooperation (12 years), based on a quasi-strategic partnership, has enabled us to carry out a wide range of dissemination activities. Our municipalities have their own newspapers, advertising spaces, websites, social media platforms (Facebook profile), but we have also been able to involve a wide range of media contacts in the wide dissemination of the project results.

- Media presence
  - Photo exhibition
  - Organising public events for the press
  - Audiovisual tools (radio, TV, youtube video)
  - Presenting the results of the project at local, regional and national events,  
*(DEC ter: Press release in Hungarian and English, Technical report in Hungarian with English summary. Photo documentation and short film about the event, with narration in Hungarian)*
- The results of the meeting were published on the following communication platforms:
